

## **Index of Contents**

1. Banker's Notes (Note: Keep this section blank for their use)
2. Curtain Raiser
  - 2.1 Executive summary
  - 2.2 Synopsis of ABC International Ltd
3. Introduction
  - 3.1 The Country
  - 3.2 The Industry
  - 3.3 ABC International Ltd
  - 3.4 The Promoter
  - 3.5 The Proposed Project
4. ABC International Ltd
  - 4.1 A Brief History
    - Write-up & graphs
    - Corporate philosophy
  - 4.2 Certifications, Accreditations, Accomplishments
    - Certifications & accreditations
    - Accomplishments
  - 4.3 The Product and Technology
    - Product write-up
    - Brochure or other documentation
  - 4.4 Manufacturing Process
    - Brief write-up
    - Flowchart
  - 4.5 Quality assurance
    - 4.5.1 Testing
    - 4.5.2 International conformity – quality control
  - 4.6 Materials
  - 4.7 Market
    - 4.7.1 Sectoral segmentation
    - 4.7.2 Geographical segmentation
  - 4.8 Financing history and facilities availed
    - Facilities repaid in the past
    - Existing facilities and terms
    - Copies of facility allotment letters
    - Financial performance
  - 4.9 Performance Indicators – Financial Analysis
  - 4.10 Facilities and other techno-commercial information
  - 4.11 Customers
    - List of customers with contact details
    - Annual sales and receivable position

- 4.12 Suppliers
  - List of suppliers with contact details and process
  - Annual sourcing and payable position
- 4.13 Advisors
  - List of advisors with contact details and role
- 4.14 SWOT Analysis
- 5. Proposed Project
  - 5.1 Strategic plan
  - 5.2 Key areas being addressed by the expansion
  - 5.3 Land and Building
    - Land tenancy contract – existing
    - Layout Drawing – existing
    - Summary of valuation – existing
    - Key Specifications
    - Layout sketch
    - Detailed specifications, quotations, BoQ and other calculations of cost in Section 8
  - 5.4 Plant and machinery
    - Key features
    - Summary of valuation – existing
    - Summary of requirements – proposed additions
    - List of machines with specifications & supplier, quotations and other information in Section 8
  - 5.5 Equipment
    - Key features
  - 5.6 Vehicles
  - 5.7 Personnel
    - Key information
    - Summary of CVs and other information
  - 5.8 Other resources
  - 5.9 Set-up period and Phase-over
  - 5.10 Funding requirement and repayment plan
  - 5.11 Primary security – Summary
  - 5.12 Collateral security – Summary
- 6. Projections of performance and profitability
  - 6.1 Cost of project and means of finance
  - 6.2 Projections of performance and profitability
  - 6.3 Projected financial position
  - 6.4 Projected cash flows
  - 6.5 Ratio analysis

- 6.6 Assumptions
  - Land
  - Building
  - Machinery
  - Equipment
  - Furniture and fixtures
  - Equipments
  - Vehicles
  - Revenue
  - Direct costs
  - Admin costs
  - Finance costs
  - Depreciation
  - Retained earnings
  - Analysis of exceptional past events
  
- 7. Company – Documents
  - Trade license
  - Formation Certificate
  - Chamber of Commerce Membership Certificate
  - Memorandum & Articles of Association
  - Shareholders’ Resolution
  - KYC Documents of of Promoters
  - Register of Members
  - Operation Fitness Certificate
  - Other documents
  
- 8. Building and Plant & Equipment – Documents
  - Valuation report – relevant pages
  - Other Quotations and Drawings
  
- 9. Personnel and Other Resources – Documents
  - Highlights
  - Statistics
  - Hierarchy
  - List of key personnel
  - CVs of key personnel
  - Other documents
  
- 10. Financial History – Documents
  - Old audit reports (past 5 years)
  - Bank Statements (past 6 months)

Note: With all these documents, it is likely that the project report runs into 500 pages ( $\pm 50\%$ ) so it may make sense to make 2 files (No 1 to 7 and 8 to 10)
